I understand that tuition is divided into ten monthly payments, from July thru April OR payable in one full tuition payment in July. There is no allowance or tuition credit for days absent or family vacations. Tuition is paid on the first of every month through Brightwheel. Brightwheel accepts payment through checking or savings accounts. We do not accept credit cards or accept tuition checks in the office.

There is a thirty day notice required to withdraw.

If tuition is not paid for two months, this is considered a breach of contract and the student will be withdrawn from OSLS Infant Center.
